MISSION STATEMENT

“SAINT LOUIS CHRISTIAN COLLEGE EQUIPS MEN AND WOMEN AS LEADERS WHO IMPACT THE WORLD FOR CHRIST.”

To accomplish this mission, Saint Louis Christian College presents a DESIGNED CURRICULUM within a DESIRED COMMUNITY setting. Saint Louis Christian College blends both distinctives and provides an exceptional educational experience!

DESIGNED CURRICULUM

A Bible-Centered Curriculum – Saint Louis Christian College affirms the inspiration of the Bible as God's word and recognizes its central impact on life. Knowledge of the truths of Scripture and the ability to interpret the Bible in life situations constitute the heart of the educational process. Every bachelor-degree program has a Bible major and every course is taught with the biblical perspective in view.

A Context-Sensitive Curriculum – The church's educational and theological efforts have demonstrated throughout history the practical relevance of the Christian faith. The curriculum of Saint Louis Christian College maintains that historic emphasis of confronting and critiquing the dominant schools of thought by surveying the General Education Division core requirements. Students gain a breadth of knowledge to complement their depth of biblical expertise.

A Ministry-Driven Curriculum – Effective service in the church and society is the ultimate objective of the Saint Louis Christian College educational process. The Professional Education Division of the College equips the student to synthesize insights from the Biblical and General Education Divisions into a practical philosophy of ministry and to develop meaningful career skills.

DESIRED COMMUNITY (LIFESTYLE EXPECTATIONS)

Reflecting the lifestyle modeled and commanded by Jesus Christ – Since He is Lord, and His word is truth, then His life and His commands should become our goal. Saint Louis Christian College expects all students, whether full-time or part-time, whether on-campus or commuter, to live by standards in harmony with the life and teaching of Jesus Christ.

Rejecting the lifestyle characterized by the world – Saint Louis Christian College students agree to abide by a lifestyle commitment to avoid the use or possession of alcoholic beverages, illegal drugs, and tobacco products; to refrain from pornography, profanity, dishonesty, sexual immorality, unethical conduct, vandalism, and immodest dress.

Respecting the Lord and each other – Worshipping each Lord's Day and seeking to become persons with sterling example and impeccable character demonstrate respect for the Lord. Servants of the Lord seek opportunities to serve Him outside the Saint Louis Christian College community. Respect for each other is demonstrated by avoiding sexual, racial, or ethnic discrimination or harassment.

.....
No person is denied the benefits of admission to Saint Louis Christian College on the basis of race, color, national origin, sex, or disability. Saint Louis Christian College is authorized under federal law to enroll nonimmigrant alien students and is approved under state law for veterans receiving veterans educational benefits.

Saint Louis Christian College is accredited by the Commission on Accreditation of the Association for Biblical Higher Education, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.
